MyMathLab is an online course available with our textbook. A fully interactive textbook is built into CourseCompass. For each section of the text you can find video and audio clips, tutorials, practice problems, and practice tests. To use these materials, you must register and enroll in the course. Follow the instructions below.

If you purchased the book from the college bookstore, the MyMathLab Student Access Kit may have been bundled with your textbook.
Get Into Your Course

To log in and access your course:

1. Go to www.coursecompass.com and click the Log In button for students.
2. Enter the login name and password you created during registration.
3. From the My CourseCompass page, simply click the name of your instructor's course to begin exploring CourseCompass!
